

## ANNOUNCEMENT

Dear Valued Customers,

Our continuous actions to maintain best service quality nearby timely and smooth equipment, capacity supply are ongoing.

However, increasing congestion status at Ashdod port keeps increasingly affecting our operational and logistics costs while export/import imbalance is sharply widening. With that respect, in order to keep our ongoing seamless service, equipment, capacity supply for you, our valued customers, we are forced to implement an:

Equipment Imbalance Surcharge (EIS):

USD25 per container for all 20' container types

USD50 per container for all 40' and 45' container types

On all our Turkey to Ashdod corridors starting with MV Kaan Kalkavan IE1721W with ETS 20.05.2017 from Ambarlı. Please note that, we hope the drivers of this applicaton and the respective application will be over within a short time frame.

For any details and service info please get in touch with our sales teams and/or visit our website; [www.turkon.com](http://www.turkon.com)

Sincerely Yours,

TURKON LINE
