For the last 21 years, we have been continuously providing best quality service on our Turkey – Israel (TIES) line.

The continued increase in bunker prices, has significantly impacted the operating environment for container shipping lines.

Due to the unsustainable nature of this situation, we are forced reshape our rate structure on Turkey-Israel corridor. Therefore, this is to update you that; Turkon Line will apply:

Emergency Bunker Surcharge (EBS):

USD 25 per container for all 20' container types  
USD 50 per container for all 40' and 45' container types

On all containers to be discharged at Israel ports (Ashdod and Haifa), starting with;
